I would flood your life with sunshine,
I would part your from all ill.
I would crown your life with blessings,
If I could have my will.
Oh, these wishes are true my friend,
For a crown all wise is mine.
So I pray that God will bless you
And keep you always fine.

Good luck

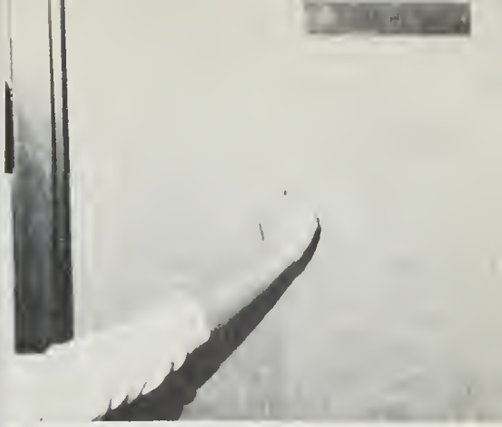
Foreword

The second edition of Tigerama is filled with the challenges and achievements of students here at Groveton. Along the many roads that lead to our beautiful school are signposts giving direction. We have only to follow these signs to arrive at golden doorways to opportunities which must be opened with the right key. This key, obtained by observance and effort, may lead to happiness and self-satisfaction.

We, the staff, hope by the presentation of this book to awaken students, parents, and friends to Groveton's *Opportunities Unlimited . . .*



Opportunity Offered for Adult-Student Cooperation

Our School Board works hard for progressive education in Fairfax County: Mr. Robert Davies, Mr. Hillis Lory, Mrs. Stella Chapman, Mr. Theodore S. Heriot, Mr. C. Turner Hudgins, Mr. Samuel S. Solomon, Mr. W. T. Woodson, Mr. Clyde W. Gleason, and Mr. Merton S. Parsons.

We here at Groveton are indebted to the Fairfax County School Board for their foresight in providing the students with the opportunities for education. We felt this keenly with the addition of our new wing and a great deal of new equipment.

The special problems which face the School Board are always numerous. This year, for example, they were confronted with the problems of snow and flu.

The widely discussed plan to convert the county schools to a 7-3-3 system is being thoroughly studied, and we feel that they will plan the program that will best provide for the majority of students.

We are also indebted to three other adult organizations so closely related to our school. For the good work of the Student-Parent-Teachers Association, the Band Boosters, and the Tiger Boosters. The staff wishes to recognize them in our second edition of *Tigerama.*

Dr. Lory, our representative on the School Board, and Mr. Frye, the President of the Tiger Boosters, discuss our athletic program.

Superintendent and Mrs. Woodson enjoy informal fellowship at an F.E.A. meeting held at our school.

Officers of the S.P.T.A. elected last May: Mr. Leonard Lorentzen, Treasurer; Mrs. Leslie Raybold, Secretary; Mr. J. L. Mastran, President; and Mr. Wilson Hoover, Vice President.

Officers of the Band Boosters, elected May, 1957: Mrs. Milton L. Becker, Treasurer; Mrs. Ray F. Miller, Vice-President; Mr. Keene Hepburn, President; Mrs. W. A. Karjala, Secretary; and Mrs. Carl W. Becker, Past President.

Tradition Grows As Formal Touches Are Added

The Groveton Seal was designed by Mr. Moise, the head of the art department. Its various components represent the academic, the scientific, the artistic, and the musical elements of our school life. The academic faction is demonstrated by an open book; the scientific, by a half-filled beaker; the musical, by a treble clef; and the artistic, by a palette.

ALMA MATER

Hail Groveton High School
Hail Thy name
Your Gold and Black be praised.
We stand by you with loyalty,
And always pledge our faith in Thee
Forever, we proclaim.

Hail Groveton High School
Hail Thy name
Stand fast for what is right.
Your shining symbol e'er will be
Our guide on to eternity
For truth and love and light.

Groveton's school crest was designed just this year by Mr. Moise, our art director. Its base is an open book that is surmounted by flames, signifying the torch of knowledge. In the quadrants are a tiger mascot, a "G" for Groveton and the black and gold squares which are the traditional form for a crest.

TEACHERS

Administration

"Come in," say

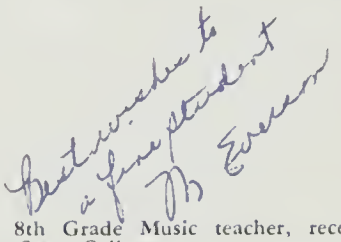
Mr. Moise honors Mr. Chesley by painting a portrait which will be displayed in the school.

Here at Groveton, we need only to knock to have numerous opportunities opened to us. Guiding Grovetonites to a full education in many fields are our well-trained faculty members. With an increase of nineteen teachers, the staff grew to seventy educators. Eighteen classrooms were constructed, making our new wing. Even as our building and faculty enlarged, so our opportunities for personal development increased. Having met the high standards of qualification, Groveton was fully accredited by the Southern Association of Colleges and Secondary Schools and the Virginia State Department of Education.

This year we had two assistant principals, one being Assistant Principal for Administration and the other that of the newly created position of Assistant Principal of Instruction.

The entire administrative body and faculty contributed to the betterment of our educational opportunities here at Groveton, and at all times had out the "Welcome Mat" for us.

Teachers give a going away party for Mrs. Morrison (far right).



Mrs. Everson, 8th Grade Music teacher, received her B.Mus. from Michigan State College.

THE SECRETARIAL STAFF

MRS. MOORE

the Administrators

To many persons Groveton High School represents outstanding school spirit. To me it is the reflection of the quality and abilities of its student body.

You have contributed your efforts, interests, and abilities toward the goal of the "best" in school life. As we constantly seek to improve our school, we must search for the best in ourselves.

Through you, we will obtain quality—through you, we will find success.

ADMINISTRATIVE OFFICE HELPERS—Mrs. Kern, Secretary; Judy Floyd, Totten Judd, Mary Gilbert, Joe Medve, Mrs. Williams, Secretary; Betty Anderrson, Camilla Clocker, Tony Cluff, Bill Pickering.

Guidance Grows

Each and every member of Groveton's student body has an opportunity to follow the signposts leading to the Guidance Department. This important branch of Administration guides students through their high school years by helping them to understand themselves, by discussing with them their individual problems, and aiding them in the choice of a curriculum.

The occupational information offered by this department includes both ability tests and aptitude tests to help students decide upon the occupation to which they are best suited.

Guidance plans for continuing education included a College Day on October 10, in which thirty-nine colleges and universities were represented. In April, an Armed Service Day was planned for boys; also, a panel discussion of careers. For the benefit of those interested in attending college, information on scholarships was offered. A few of the scholarship tests given included the National Merit Scholarship Qualification Test, The Betty Crocker Test, the University of Richmond Test, and Strayers Business College Test.

The Guidance Department also works hand in hand with outside communities to co-ordinate school, home, and community life.

GUIDANCE STAFF—*Seated*: Miss Owen, Sophomore Counselor; Mrs. Gentry, Director; Mrs. Keesee, Senior Counselor. *Standing*: Mrs. McPherson, Freshman Counselor; Miss Clovis, Eighth Grade Counselor; Miss Latta, Junior Counselor.

Honor Code

We the students of Groveton High School believe in and shall strive to uphold the Following Principles:

To show honesty and respect in our dealings with The Faculty, students, and others:

To strive for cleanliness and self-control in our speech and To Keep degrading and unkind thoughts from our minds;

To respect school property and the property of others;

To avoid and discourage unfavorable habits which may bring discredit to us, our home, our school, and our community.

We accept these high standards as a necessity to our development of honor and integrity.

Taking a peek at our activities here at Groveton is likely to make a newcomer dizzy. Each student is able to locate an organization devoted to his interests or hobbies among the various Tiger-supported clubs. These twenty-two clubs and various organizations sponsored events that promoted good relations with the public and contributed to school spirit.

We profited this year by having an organized student government, whose main accomplishment was placing student life so that there is an opportunity for all to participate in the activities of their choice.

The purpose of our activities program was to produce a social, as well as an educational background for Grovetonites. It was in this field that our student co-operation, promoted by the honor code, was best displayed. Acceptance of the honor code lay in the decision of each individual student and was signified by his signature on the personal honor card distributed to each student.

The staff endeavors to present the opportunities offered to us in clubs and activities on the following pages.

HONOR CODE

Ethics committee, art and Industrial Art Departments collaborate in giving to the school the beautiful framed Honor Code that hangs in the front lobby.

ETHICS COMMITTEE

Seated: Richard Graus, Dorothy Murray, Gisela Grasse, Bonnie Tinkham, Barbara Brown. *Standing*: Mrs. Croom, sponsor; Barbara Slayton, Christine Herrick.

The Ethics Committee has worked hard for the past two years to express in words and practice the high standards of students of Groveton High.

Student Government Takes on a New Look

This year the Student Co-operative Association operated fully organized. It is patterned after our National Government consisting of a Cabinet, a Senate, and a House of Representatives. The cabinet is composed of the five elected officers and thirteen appointed secretaries. Two senators are elected from each of the five classes and each homeroom has a representative in the House of Representatives.

Each of the secretaries had a committee during the school year and performed certain jobs and duties related to its office.

The Senate composed a committee that worked toward a point system in order that the activities of the students might be limited and that those excelling in activities might be rewarded.

The homeroom representatives met every two weeks and all matters that needed to be taken to the homerooms were discussed and taken back by the representatives.

The staff has pictured throughout the '58 Tigerama all the Secretaries and their committees in action for a better Groveton High.

CABINET—*First Row*: Patty Patterson, Mary Anne Hope, Ann Yeaman, Fran Bevis, Gisela Grasse, Jill Arneson. *Second Row*: Evelyn Edson, Carlson Becker, Louis Counts, Tom Hill, Duff Cogar, Peggy Kimberlin.

YEARBOOK

In the new wing of Groveton a room was set aside for the yearbook and was christened the Rama Room. Two additions to the room were Roary, the tiger mascot, and the Mailarama, the yearbook's mail service.

The Tigerama Staff was assisted this year by a group of Cubs, given the opportunity of learning the procedures of yearbook work and gaining valuable experience to be used in the future.

Many afternoons and evenings were spent in the Rama Room, working toward the rapidly approaching deadline date. The snow days proved to be very valuable in meeting these deadlines.

The Tigerama producers felt that all work and no play is dull. Therefore, they had a Spagetti Supper in November to kickoff the Ad Drive, and frequent excursions "down the road apiece" for refreshments after a long working period.

To create interest in the '58 Tigerama among the student body, the subscription drive opened with an assembly on January 15.

The Staff and Cubs appreciated the cooperation of the entire school in producing our 1958 Tigerama.

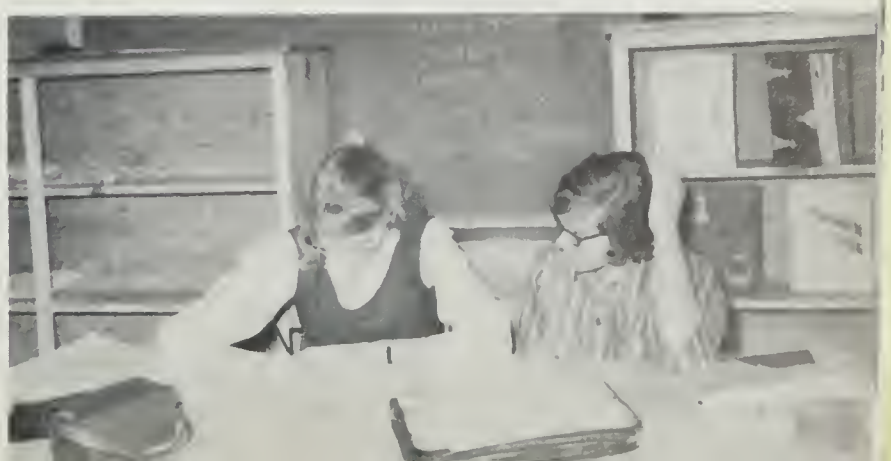
Marcia Minson and Barbara Linaburg pound the keys for the Yearbook.

Dot Murray and Crellin James work along with Paul Herndon and Bill Pickering to give sports a full coverage.

Mudgie Gist, Don Burchell, and Connie King think and work hard to "make ends meet."

Melanie Adams and Peggy Swindell worked diligently on copy.



Students Recognized For Outstanding

Mr. Tabor, Head Football Coach, Marvin Crenshaw, Outstanding Defensive Lineman; Paul Wease, Outstanding Offensive Back; John Gallahan, Outstanding Defensive Back; Chuck Downey, Outstanding Offensive Lineman; Mr. Kley, Assistant Football Coach.

Sharon Van den Burg, Mt. Vernon; and Diane Oakes, Groveton; carry the Mt. Vernon Kiwanis Bowl trophy across the field to display to the spectators.

Miss Pauley presents a trophy to Twyla Arvin for Outstanding Hockey performance.

As the year progressed, certain people showed outstanding ability in the field of athletics. Although the greatest satisfaction is received inwardly, awards were given to those who earned them in order to recognize publicly excellent achievements. We congratulate these players on their awards.

Ray Novotny is awarded a trophy by Mr. Kley, for being voted the Outstanding Basketball player.

Miss Quarles presents Peggy Swindell with a trophy for the Most Outstanding Girls' Basketball player.

Individual and Scholastic Achievements

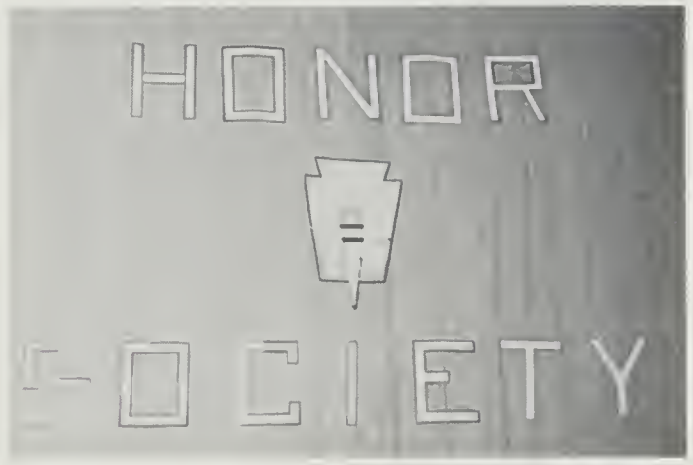
On March 11, 1958, the Charter members of the National Honor Society were inducted by members of the Lawrence Washington Chapter from Mt. Vernon High School. The ceremony was held at an assembly for upperclassmen. Twelve juniors and fourteen seniors became members.

The Honor Society members are chosen on the basis of a "G" or above scholastic average and evidences of superior service, leadership and citizenship.

During the ceremony, Lilo Weihe, President of the visiting Chapter, and Mr. Chesley spoke on the selection of members and the capabilities of each individual student.



Dick Bramley and Patty Patterson are congratulated by Lisa Kanwit and Lilo Weihe, members of the Mt. Vernon Chapter.

TIGER RAG

The Tiger Rag appeared on the school scene this year with an entirely new look. Last year's mimeographed form was replaced with newsprint and photographs. In its second year, it appeared monthly in issues varying from four to six pages, in black and white, except for a cheerful green and white issue heralding Christmas.

The staff began the school year with a successful advertisement and subscription drive. It also sponsored the publication and sales of football programs for home games.

The Tiger Rag is student planned and edited. Several members who attended the Southern Interscholastic Press Association Conference the previous year shared their knowledge by holding writing clinics and headline writing sessions in the afternoons.

Members work together to meet the deadline.

PHOTOGRAPHERS AND BUSINESS STAFF

Groveton's Voice in Debate and Forensics

These people participated in Spring Forensics: *First Row*: Mrs. Howard, Sponsor; Maureen Harris, Judy Hale, Ann Thompson, Randi Sigmund. *Second Row*: Barth Reller, Kenny Weidner, Robert Haskell, Jim Mark.

The Forensics Club offers to the interested student training and practice in the fields of prose and poetry reading, public speaking, and debate. The club sponsors participation in the "Voice of Democracy" contest, the "Sons of the Revolution" oration, and the American Legion public speaking contest on the Constitution.

Also, through participation in the club program, the student may be chosen to represent Groveton in the District and State Forencics events in April and May. These contests include Boys' and Girls' Prose Reading, Poetry Reading, Boys' and Girls' Public Speaking, Spelling, and Debate.

The Debate team, in its first year, participating in the Northern Virginia Debate League, won five of seven practice debates. Debating this year's topic, "Foreign Aid," our team defeated Wakefield of Arlington and George Washington of Alexandria, with no losses.

In April, the Debate Team entertained the Northern Virginia Discussion League at Groveton.

Barth Reller took second place in the George Mason Oration Contest; Evelyn Edson represented Groveton in the National High Oratorical Contest on the Constitution, with her "I Speak for Democracy" speech.

The members of the Debate Teams: Barth Reller, Kenneth Weidner, Barbara Larson, Robert Haskell, Pierce Fleming.

MR. FIREBAUGH
Sponsor

With the election of officers and sponsor, the Groveton Bible Club was fully underway by the second week of October. During the year the club invited representatives from Churches and other Christian organizations to speak. Some of the speakers who talked with us included Mr. Roscoe Williams and Rev. Jack Dunnington, Jack Conner, and Bob Manderson, Rev. Hugh Beasley and Rev. M. H. Cave, D.D.

Other activities such as "Funspirations," a club recreation, and a club picnic in the spring were held during the school year. Also, the club sponsored a field trip to the National Cathedral in the latter part of the school term.

First Row: Diana Hooks, Belle Richey, Danny Rakes, Sue Forest, Kay Glymph. *Second Row*: Marie Sprang, Patsy Nuckols, June White, Rita Wyatt, Carole Larson. *Third Row*: Charles Shipp, Jay Stowell, Radea Wyrick, Wayne Miller. *Fourth Row*: Glen Miller, Linda Hatcher, Sammy Rakes. *Fifth Row*: Terry Cramer.

G. H. S. Students Go Around the World

TEAM CAPTAINS—Anita Yancey, Charlie Henderson, Marvin Crenshaw, and Mary Brooks.

"Around the World" was the colorful theme for this year's Magazine Campaign. It began on November 8 by an assembly introducing the two teams and captains. Marvin Crenshaw and Mary Brooks led the Milers and Charlie Henderson and Anita Yancey led the Hitchhikers. It ended November 21, lasting longer than the allotted time of ten days, due to snow.

Grovetonites brought in $10,741.00, through their super salesmanship, exceeding the goal of $10,000. Flash! Paul Smith, high salesman, with $189.75! Mr. Panagos' gym class won as high homeroom and Miss Mark's homeroom came in second, while Mrs. James' S.C.A. homeroom won percentage-wise. Everyone was happy with their trip, "Around the World."

Tired and weary after the assembly—Looks like they all won!

Campaign workers set up a showcase display of prizes.

Active Artists Assist

Starting with a field trip in November, the Art Club began a successful year by visiting the Corcoran and Philips' Art Galleries.

The members visitied a local ceramics factory where they watched the processing of clay. Another highlight of the year was a spring picnic, where the students sketched, as well as ate.

Through the year, the students learned to work with such varied mediums as oil painting, leather working and sculpturing.

Holstine, Director; Sondra Morrissey, Vice-President, Mixed Chorus; Paul Herndon, President, Mixed Chorus; Judy Hall, Vice-President, Symphonic Choir; Duff Cogar, President, Symphonic Choir. *Second Row*: Patti Moore, Secretary, Girls' Chorus; Barry Morf, Treasurer, Girls' Chorus; Kenneth Weidner, Chaplain; Frances Kennedy, Accompanist; Bill Pickering, Treasurer, Mixed Chorus; Kay Barret, Secretary, Mixed Chorus; Reba Calvert, Treasurer, Symphonic Choir; Diane Oakes, Secretary, Symphonic Choir.

In its first year, 1956-57, the Choral Department had one Mixed Chorus of eighty-eight voices. It has grown rapidly, and this year had three performing groups: Mixed Chorus, Girls' Chorus, and Symphonic Choir. The total enrollment was approximately 170 voices. Next year, we hope to add a Male Choir and a Madrigal group to the Department.

In October, forty-five students participated in the first Fairfax All-County Choral Clinic.

All choirs performed in the Thanksgiving, Christmas, and Easter assemblies and presented a formal Sunday afternoon Christmas Concert. In addition, several students performed in a Christmas Cantata.

In March, the Choirs combined with the Golden Tiger Band to present Jubilee '58, with the theme, "Mutual Admiration Society."

The Second Annual Spring Concert was presented on May 8 and 9. The Symphonic Choir rendered selections for our first Commencement exercises.

The Choral Department also sponsors the Annual Sweetheart Dance held in February.

The Golden Tiger Band proudly began its second year with the active support of the football team. The long awaited uniforms, which arrived in February, were acquired by the results of the magazine campaign and the efforts of the Band Patrons Club. New majorette uniforms were also ordered. In order to add to the pageantry of the band on the football field next year, flags were donated to the band and the school by the Mount Vernon Lions Club.

The "Gay 90's Party" in November was among the many Band Patrons-sponsored events during the year in an effort to aid the band in its continuing progress. The Christmas Concert had a serious side and set a definite mood by featuring a unique tableau telling the Christmas story in sequence.

The band entered the District IV Instrumental Festival, March 15, performing grade five music. It also sent eight members to All-State Band held at Hammond High School February 7, 8, and 9; seven members made the Concert Band, which was a great accomplishment for Groveton.

The Chorus and Band gave a joint production, "Jubilee '58," March 21 and 22. The theme was "Mutual Admiration Society," featuring the marriage of the band and the chorus and many lively songs.

The Spring Concert was held April 27, culminating the year's advancement and musical achievements. An instructive and educational band clinic was held May 29 and 30 under the direction of Alan A. Bone, Professor of Music, Duke University.

Upperclassmen Display Acting Ability

SENIOR CLASS PLAY CAST—*Seated*: Mike Mead, Ed Ryder, Mary Lou Ballard, Alan Hallden, Judy Floyd, Lewis Counts, Melanie Adams, Joan Carmichael. *Standing*: Roger Berryman, John Lilly, Sue Fletcher, Will Gist, Chuck Downey, James Blair, Reba Calvert, Kay Coplen, Duff Cogar.

YOU CAN'T TAKE IT WITH YOU

There was something for everyone in this hilarious play written by Moss Hart and George S. Kaufman and produced by the Senior Class. The crazy Sycamores and their mixed-up friends did everything from ballet dancing to exploding fireworks, from play writing to "subversive" printing. The household of this lovable family was disturbed continually by invading "J-men," Russians, an inebriated actress, and other assorted characters. Everything turned out well, for, "All's well that ends well."

THE NIGHT OF JANUARY 16TH

The fate of Karen Andre was decided in two separate "court actions." The first performance was held on the cold, rainy evening of December 3 at 8:00 P. M.; the other on December 6 at 2:00 P. M. All this refers to the exciting, fast-moving Junior Class Play, "The Night of January 16th" by Ayn Rand, in which Karen Andre was tried for murder. Both juries, drawn from the audience, acquitted her. The scenes were portrayed by two different casts, one for each performance.

Chaos prevails in the Senior Class Play.

Christmas Spirit

This tableau was an added attraction of the Band Christmas concert.

Christmas activities ranged from concerts to dances, from decorations to parties, and Christmas bells rang throughout the halls of Groveton.

The band and chorus each presented a Christmas concert, as well as giving a joint assembly. The band presented its concert Sunday, December 8. This concert created the spirit of Christmas by music and poetry, narrated by Mr. Fred Wygal, Choral Director of Fairfax High School. A unique tableau consisting of a white back drop and movable figures, brought in on wires, told the story as the concert progressed. The Art Department and the Band Boosters were responsible for this beautiful scene.

A procession of singers marched down the aisles singing "Hark the Herald Angels Sing" to open the Choral Concert, on Sunday, December 15. The Symphonic Choir, Mixed Chorus and Girls' Chorus performed, assisted by guests. Mrs. Richard Michlee danced a ballet to "Carol of the Drums"; Mr. Allen Green, a soloist, sang a portion of the Christmas Cantata; and Mr. Jim Barham was the featured organist.

Choristers trim the tree before giving their concert.

Paul Farley, Harriet Johnson, and Beau Lyons admire a Christmas Showcase.

The S.C.A. sponsored many activities during the Christmas season. These included gift baskets for the needy (right) and a Christmas Card delivery service (above).

DECEMBER FREEZE

Dancing on a snow-covered mountain top—that's what approximately 130 couples did who attended the annual F.H.A. December Freeze on December 14. Well, it seemed that way. French doors opened into the cafeteria to reveal a mural, painted by the Art Club, which depicted a snow-covered mountain in pastel blue, pink, and white.

Prior to intermission, the F.H.A. officers, led by the club president, Anita Yancey, and her escort, formed the letters F.H.A. in red and white, the club colors. The girls wore white evening dresses with red cummerbunds, red shoes, and red roses. The club plans to make the feature a tradition of the annual December Freeze.

F. H. A. OFFICERS AND THEIR DATES FORM THE FIGURE "H" FOR HOMEMAKERS IN F. H. A.—They are: Larry Wyatt and Irma Yancey, Will Gist and Ann Yeaman, Garry Treon and Anita Yancey, Frank Knill and Charlotte Barker, Mert Hoover and Phyllis Jaynes, Jim Hunt and Patsy Miller, Gordon Herndon and Virginia Leonard, Herb Apple and Susan Snyder, Joe Kenney and Mary Rose.

The King and Queen Reign

Living so near the Nation's Capital holds many opportunities for us. One of the rare ones came this year when Her Royal Highness, Queen Elizabeth and Her Consort, Prince Phillip visited our United States and the Nation's Capital. Many Grovetonites were privileged to see the Royal Couple.

Groveton, too, had a Royal Couple, elected by the student body to reign over the Sweetheart Dance, an annual festivity sponsored by the Choral Department. The snow delayed the Royal visit; however, Ann di Zerega and Paul Dove were crowned February 22 instead of February 15, by Mr. Chesley and Miss Holstine, respectively.

The Royal Procession was led by last year's Queen and King, Pat Watson and Skip Johnson, who presented the crowns. A large flower-covered heart formed a doorway through which the Royal Court approached the throne.

The Choral Department chose "My Funny Valentine" for the theme and couples were seen frequently enjoying the large funny Valentines, placed among hearts and other decorations.

The traditional cutting of the large Valentine cake was enjoyed by the Queen, Her Consort, Court, and spectators. After which the honored group danced to the tune of "Stardust," played by the Dance Band from McLean, one of our own Fairfax County High Schools.

THE ROYAL COUPLE: Queen Ann and King Paul.

THE 1957 ROYAL COUPLE: Pat Watson and Skip Johnson, led the Procession.

The first year of the Cotillion Club was organized with a membership of forty boys and forty girls from the Junior and Senior classes. Plans are in the making for a Junior Dance Club consisting of freshmen and sophomores next year.

Our many activities this year included a Victory Dance held October 12, a trip to Milt Grant's Record Hop on February 4, and sponsorship of the sock hops after home basketball games.

Other Opportunities in Dramatics

This year's Tiger Theater has a "New Look": members who have participated in a school dramatic production may purchase club pins; a dramatic production was planned for each meeting; the new office of reporter was created; and the entire first semester was devoted to an extensive membership campaign.

The club competed in the One Act Play Festival, presenting a highly suspenseful play by W. D. Steel called "Footfalls." In April, a three act play was also produced by the Tiger Theater.

Many Grovetonites have taken advantage of the opportunities found in the Dramatics Club.

The Advanced and the Eighth Grade Science Clubs were organized for the benefit and encouragement of those students interested in science.

At Advanced Club meetings, discussions are held and experiments performed. In December, Mr. Hepner talked to the club members about satellites. The club's main project is sponsoring and planning the annual Science Fair held March 14th and 15th.

The Eighth Grade Science Club tried to cover as broad a field in science as possible. One of their projects was raising white mice and experimenting with them to find the effects of tobacco smoke on lungs, skin, and nutrition. Other scientific fields included were photo-electric relay to operate cameras, electroplating, radio theory, and chemical experiments.

KEY CLUB

On December 18, 1957, the Groveton Key Club, sponsored by the Mt. Vernon Kiwanis, was officially recognized by the International Key Club and was given its first charter. These key youths sold Christmas trees during the holiday season to finance the delegation of officers to the Capital District Convention in Richmond on March 7, 8, and 9. The Groveton Keys co-sponsored the eighth grade intramural basketball league.

Chess Players Enjoy Tourney

CHESS CLUB

The activities of the Chess Club were greatly extended this year, due to membership in the Northern Virginia Chess League. Groveton's Chess Club played in tournaments against Fairfax, George Mason, and Hammond.

At meetings, members not only played chess, but discussed upcoming tournaments and taught beginners how to play the game. Members rank from laymen, or beginners, up to grand master.

The Chess Club offers the opportunities of meeting students from other schools along with giving everyone a chance to learn an entertaining hobby.

Marquarita Lopez and Juan Aramburie meet again at the conference for Foreign Students at Richmond.

The Spanish Club had a membership of sixty-seven this year. Color and a Spanish flair were added by Margarita Lopez, one of several exchange students who visited the United States.

Christmas was celebrated with traditional Spanish pinatas, folk dancing, and music to the enjoyment of the entire club.

"El viaje del campo" (field trip) acquainted us with the Pan-American Building, and information concerning Latin American countries. "A gran fin" (finishing touch) was the atmosphere and meal at a Spanish cafe.

Near the close of the school year the annual Spring Frolic was sponsored by the club.

OFFICERS—*First Row*: Pat DeYoung, Secretary; Pat Knight, Treasurer; Sue Forest, Refreshment Chairman. *Second Row*: Kenny Lewis, Reporter; Ray Fraley, Vice-President; Skip Johnson, President; Miss Hutchinson, Sponsor.

French Fans

The French Club was organized for the purpose of promoting interest in the language, history, and civilization of France and French-speaking countries, their customs and traditions. To fulfill this aim, the club practiced conversational French and was visited by French-speaking pupils. Club members also gave talks on France and visited the French Embassy in April.

French speaking visitors are welcomed by the Groveton French Club.

Latin Comes to Life at G. H. S.

The Latin Club is affiliated with the Junior Classical League, the national organization for Latin students. The club offers to the interested student opportunities, beyond the classroom experience, for increasing his knowledge of classical culture.

The club sponsors participation in the State Latin Essay Contest, and State examinations to be held in April. The year's program calls for a lecture, field trip, and a movie during the year.

Future Homemakers of America. . .

The second year of the Future Homemakers of America began with a picnic held at Belle Haven to interest prospective members. The membership soared from last year's 69 to this year's 90.

The F.H.A. continued its objective to serve others, by continuing last year's projects. Besides preparing a party box for a Veteran's Hospital in the Washington area, eighth grade members of the club conducted the Junior Red Cross Drive.

Included in the activities of the club was the winter meeting of the Lady Fairfax Federation held February 11, at Annandale High School. On February 1, Groveton's F.H.A.'ers, together with the Mount Vernon Chapter, braved the snow to attend the Ice Capades in Washington. The annual F.H.A. Family Banquet was held in May in the school cafeteria. Other projects were the December Freeze and the Breakfast Club.

The F.H.A.'s motto is "Toward New Horizons." The emblem, a house supported by two hands inclosed in an octagon, symbolizes the future homes of America all in the hands of its youth. The colors are red and white, with a red rose as the flower.

The Groveton High School Club of the Future Teachers of America was established in early November. It elected officers, adopted its constitution, and received the F.T.A. Charter from the National and Virginia Education Associations. On November 15 and 16, five members and their sponsor attended the Virginia F.T.A. Convention in Richmond, where they received information of great benefit.

These aspiring teachers visited various classes and schools throughout the county in order that they might learn more about the opportunities and requirements of teaching in the different fields and levels of education.

The club sold tickets to F.E.A. activities to raise money for the scholarship fund of the F.E.A. through which a deserving Fairfax County student may receive a scholarship for four hundred dollars.

The Groveton Chapter of FBLA, organized in October as a member of the Mary Washington College was installed in November by the George Washington High School Future Business Leaders of America. This is a national organization of high school and college business students.

The main project of the club was compiling a file of clerical job opportunities in Alexandria and surrounding areas. Information from the sixty organizations contacted was filed for use by the Vocational Office Training class and the school Guidance Department.

Included in the year's activities was a trip to the First and Citizens National Bank of Alexandria, where bank transactions were explained and demonstrated. In December, the club profited by the demonstration of an expert typist. During January, a representative from the Chesapeake and Potomac Telephone Company Employment Office talked and showed slides about job opportunities. The club also helped in selling tickets for the Trade Show held in Alexandria, March 7-9.

The students participated in state contests in April, attended a regional meeting at Mary Washington College in March, and a state convention in Roanoke.

DIVERSIFIED OCCUPATIONS CLUB

The year 1958 was the initial year in the development of the Diversified Occupations Club at Groveton High School. The club includes the members of the Diversified Occupations Class. Some of the very successful activities of the club, which took place in April and May, are the Employee Banquet, the state convention of Diversified Occupations Clubs in Roanoke, and a weiner roast.

The major aims of the club are to develop in the student that good performance on the job is a product of good citizenship in everyday living, and to develop in the student the ability to cope with responsibility in a commendable manner. This is carried out by class discussion and participation.

PEP CLUB

"Boost the Tigers forever!" is the theme of the Pep Club which was organized to promote school spirit. One of the club's earlier activities was the chartering of a Greyhound bus for transportation to the Jefferson-Groveton football game in Roanoke. At 9:00 the morning of the game, 34 peppy girls boarded the bus which had been decorated in school colors; at 5:00 the morning after the game, 34 sleepy girls returned home. The group was accompanied by Miss Quarles, the sponsor, and Mr. Firebaugh.

Special sweatshirts and Black and Gold beanies were purchased by the members to wear to games. To promote school spirit while studying, the club's president, Kay Barret, designed plastic bookcovers that were sold by club members.

GIRLS' AND BOYS' MONOGRAM CLUBS

The Boys' Monogram Club was newly organized this year under the sponsorship of all the Varsity Coaches. The membership consists of all Lettermen in athletics.

The Girls' Monogram Club is made up of students who have received letters in Varsity athletics or Varsity cheerleading, and who have been accepted by the present membership.

Girls in this club may be identified by their letter sweaters, white blouses, black skirts, and tiny gold "G" pins.

The writing of the Constitution was the first project of the year. During basketball season the club operated the concession stand, had a picnic at the Belle Haven Picnic Area last fall, and sponsored a dance this Spring.

Building Brawny Bodies!

The Fencing Club is under the instruction of Mr. Keely and Mr. Fulton Dye, New York fencing champion. The twenty-four members meet on Tuesday nights at 7:30. In the latter part of March they went to a Meet at Washington-Lee High School. Two visits have been made to the Fencing Club in the District of Columbia to observe and pick up pointers on the matches.

The Tumbling Club has fifteen members and meets on Friday at 3:00 p.m. The purpose of this club is to develop individual co-ordination, agility, and body control.

Both clubs emphasize skill, knowledge, and physical strength, providing an opportunity to develop mentally as well as physically.

Members of the Physical Skills watch demonstration by the instructor and Robert Wasson.

Sports

Looking in on Boys' Sports

Athletic Director, Mr. Cunningham, hard at work.

Here we see Jack discovering the varied opportunities offered at Groveton. For those boys interested in the many aspects of sports there are two programs offered: intramurals and competitive sports. The intramurals, which included volleyball and basketball, are for those boys who didn't have time to go out for competitive sports. Approximately 445 boys went out for intramural during the year. The competitive sports include football, basketball, baseball, track and golf. Approximately 460 boys turned out for these Varsity, Junior Varsity, and Eighth Grade teams. Those who made the team were required to practice everyday after school.

Through every one of these programs, those boys who participated, gained and learned the skills and rules of the sport. They also had the opportunity to experience competition and teamwork.

All these sports and many others are given through the required Physical Education classes that offer great opportunities to all boys.

The 1957 Tigers, in spite of numerous injuries and illnesses, won the trophy at the Mount Vernon Kiwanis Bowl, September 21. However, this trophy must be won three years, consecutively, in order to hold it permanently.

That special game with Mt. Vernon, which won us the trophy, was highlighted by a spectacular eighty-five yard runback made by Julio Betancourt on the opening kickoff. Our game with Falls Church produced a victory after a close, exciting game on the Jaguar's muddy field. The games at Roanoke and Newport News will be long remembered by those who followed the team.

Marvin Crenshaw made the All-County first string, as rated by the Gazette; while Julio Betancourt, the speed demon on the field, made All-Northern Virginia team and was selected as Athlete of the Week after the Mount Vernon game by the Alexandria Gazette and The Washington Post. Paul Wease, our quarterback, received honorable mention on the All-Northern Virginia team.

The J.V.'s season was ended with a record of 2 wins, 1 tie, and 3 losses. Many of our J.V. boys played on the Varsity squad as 2nd and 3rd string. This experience will be very valuable to those who move up to Varsity next year.

Two of the J.V.'s outstanding games were with Hammond and Mt. Vernon. During both games, the boys played as a unit.

Charles Pickering, who played five different positions during the season, was chosen "Most Valuable Player" by his teammates. Skip Johnson's fine passing sparked the team until he suffered an injury late in the season. Mike Fuqua, an outstanding defensive man, was also an excellent offensive fullback.

The boys' Varsity Basketball team completed the season with a record of one win and fifteen losses. Four of the sixteen games were outstanding. Three were lost by a total of six points; the other, was won by eight. A unique sidelight of one loss was a "sudden death" overtime played against Mt. Vernon.

Ray Novotny, who was awarded the trophy for Most Outstanding player, and Skip Johnson were the season's highest scorers with a total of 224 points. Novotny, Reynaud, and Gordon received Honorable Mention on the Fairfax County Team, chosen by county basketball coaches.

Fraley drives in for the basket.

The J.V. team had a season that Groveton can really be proud of. They won seven games and lost nine; five games were lost by a total of ten points.

Ray Fraley was high scorer with 101 points. Mert Hoover showed the most improvement on the team; Roy Nelson, who played his first year of basketball, was an excellent rebounder.

The most impressive win was the last game, played against George Washington, because of the demonstration of teamwork and spirit.

Intramurals Offer Opportunities to 500 Boys

In every high school there is a need for an athletic program other than varsity sports. Groveton has answered this need by providing one of the best intramural programs in the area, giving every boy in school the opportunity of participation in a competitive sport.

In basketball, there are three divisions with six teams on each: the senior, junior, and the eighth grade. Fencing, tumbling, and volleyball complete the list of intramural sports. The boys are directed and refereed by the following coaches: Mr. Cunningham, Mr. Ladson, Mr. Garman, Mr. Keely, Mr. Panagos, and Mr. Hess.

The program was sponsored by two service organizations, the Mount Vernon-Lee District Lions Club, and the Mount Vernon Kiwanis Club. The former financed the senior and junior divisions of basketball; the latter, the eighth grade group.

Almost fifty per cent of Groveton's student body took advantage of the opportunities found in intramural sports, proving the program well worth the time and money spent.

Coach Hess feels that the participation in track is steadily increasing because of the opportunity a boy has to choose an activity in which he can excel. The team won its first meet against Mt. Vernon and Fairfax, and it hopes by the end of the year, to achieve an outstanding record. The golf team started its season by defeating Falls Church, April 18.

As this book goes to press, the Varsity Baseball team is beginning its season. The team practiced in the Gym because of bad weather, and had only practiced outside four times when it played the first game at Fairfax on April 9. Fairfax won 5-4 despite a fine performance by the Tigers. The next two games were lost, but the Tigers bounced back on April 18 when they defeated the Majors "down the road" by a score of 10-1.

The team is comprised of last year's players with a few additions from last year's J.V. Squad. They will play all their home games at night in the Mt. Vernon Stadium since our field hasn't been completed.

The Tigers wait their turn at bat.

Tiger Cubs Initiate Home Field

The Eighth grade coaches have made a decided effort to give all the players on the squad an opportunity to play in every game. This gives each boy a chance to participate in this rough and tumble sport.

The games with McLean and Mt. Vernon proved to be exceptional because of the complete, controlled football that was played. Dickie Pratte was elected "Outstanding Player" by the team.

Soon after football season came to a close, the Eighth Graders began basketball. They ended their season with a record of three wins and four losses. Dickie Pratte and Jan Brown were voted "Outstanding Players" by the team, taking in consideration their ability and teamwork. The Eighth Grade team introduces J.V. and Varsity Basketball to those boys interested in playing against other schools in the area.

And Now a Peek at Girls' Sports

Mrs. Lindberg, girls athletic director, spends long hours running the department.

The girls' physical education program offers a variety of interesting and challenging classes. Both team and individual sports are taught. As well as the old standbys of hockey, basketball, and softball, the girls have opportunities to learn modern dancing, archery, volleyball, tennis, golf, ping-pong, and dodge ball. Health classes are held two days a week and co-ed physical education classes are sometimes held on Fridays. Drivers' training enables the girls to learn the fundamentals of driving as well as the importance of safety.

Opportunity for competitive sports lay in the interscholastic events on both Varsity and Junior Varsity levels. In the fall, hockey is played; in the winter, basketball; and in the spring, softball. Coaches were chosen, not only from the physical education staff, but also from the regular teaching staff. Two practice teachers helped the regular staff during December and January.

Cheerleading is a part of the department. Tryouts are open to anyone and are held in the spring. Three squads are chosen: Varsity, Junior Varsity, and Eighth Grade.

Miss Pauley, Varsity hockey; Miss Hutchinson, Varsity and Junior Varsity Cheerleading, Junior Varsity basketball and softball; Miss Wilson, Eighth Grade Cheerleading; Miss Quarles, Junior Varsity hockey, Varsity basketball; Mrs. Ingham, Varsity softball.

VARSITY CHEERLEADERS

The '57-'58 cheerleading season was highlighted by trips to Roanoke and Newport News. Many new cheers were added to those of last year; but because of the foundation laid in the previous season, fewer hours of summer practice were necessary to cheer at the first football game successfully. As a momento of their cheering years, gold megaphones were awarded graduating members at the Football Banquet in November. The girls' cheering activity continued into basketball season; other cheers were used, appropriate for basketball.

From the first kickoff of the football season and the beginning jumps of the basketball games, the J.V. Cheerleaders were found yelling for their teams. Sophomore Captain Ellen Shapiro, four girls who cheered for last year's eighth grade, and the new members led the fans in many cheers.

An extraordinary feature of this year's J.V. squad was the precise cart-wheels performed by the entire group. Whether after school or at night; in rain or snow, the younger cheerleaders were always on time, eager to provide spirit for the J.V. team.

Hockey "kicked-off" the sports season for girls even though the schedule was changed because of the flu epidemic. It resulted in a win, a loss, and two ties. Twyla Arvin and Palmira Betancourt were selected as members of the All-County Team in the Hockey Tournament held at McLean, while Kate Avery received honorable mention.

Co-captains, Barbara Brown and Crellin James, led the Jr. Varsity hockey team which tied two games and lost one. The J.V.'s displayed a very successful defense, and the offense improved steadily with experience.

The end of the season was highlighted by a Pizza Party full of fun and food, for both teams. Not only did the participation in the sport provide physical training, but friendships were formed and pleasant experiences derived.

J.V. Co-captains, Patti Moore and Betty Jean Knight, warm up before a game.

Fairfax out-jumps Groveton for the rebound.

The Varsity girls opened their season before the student body when they played Mr. Vernon in a close 34-31 defeat. The proceeds of this game were sent to the March of Dimes. In their second game with Mt. Vernon, the Tigeresses played with more fight and determination than ever before. This fighting spirit brought a 28-17 victory to the Groveton score book. The end of the season was handicapped by injuries. Within one week, Maureen Davies and Peggy Kimberlin suffered from broken fingers. A short time later, Paula Drayton broke her thumb. The team will miss Peggy Swindell and Dot Murray who graduate this spring. Peggy was not only high scorer; but an all-around outstanding forward, while Captain Dot Murray led the defense.

After ending their season with 36-25 victory over Fairfax, the J.V.'s compiled a record of 3 wins, 6 losses. The J.V. offers promising potential for Groveton in future years.

Expansion Brings New Opportunities

First Row: Mrs. Nelson, Freshman sponsor; Mr. Hess and Miss Pauley, Sophomore co-sponsors. *Second Row*: Mr. Tabor, Senior sponsor; Mr. Davis, Freshman sponsor; Miss Holstine, Junior sponsor.

The key turning the lock to open the door signifies the opportunities of learning offered to the 1,335 students at Groveton. Due to the increased enrollment, many new subjects were added to the curriculum: namely, Shorthand II, English IV, American Government, Physics I, advanced mathematics and foreign language courses. Special reading courses were added to the English department. Their purpose was to better reading speed and understanding. These courses were beneficial for both vocational and college preparatory students.

Approximately $3000 worth of new equipment was obtained by the science department. This gives students a greater opportunity to apply their book knowledge. The commercial department acquired typewriters, adding machines, transcribing machines, standard duplicators, and calculators. The vocational department benefitted by the new Diversified Occupations and Vocational Office Training courses in which students attended classes in the morning, and worked in the afternoon. Through these, skills and experiences were gained for future use.

New teachers, the new wing, and new books and courses made education opportunities available to students in every department. Those who were willing to work toward their goal—whether it was vocational, commercial, or academic—had only to turn Groveton's opportunity key to open the door to success.

Mrs. Smith worked hard through the year on various Eighth Grade activities.

In Memoriam

FREDERICK CHARLES UHLER, JR.

"To live in hearts we leave behind is not to die," wrote Thomas Campbell. This can easily be applied to Fred who left us on October 10, 1957 after a suspended illness.

Fred was active in Eighth Grade Sports last year and had an outstanding record in the Mount Vernon Little League. In memory of him, many students donated to the American Cancer Fund.

May his family and friends be comforted by Edwin Markham's words . . .

"But think of death as of another birth,
As a new freedom for the wings outspread,
A new adventure waiting on ahead,
As a new joy of more ethereal mirth,
As a new world with friends of nobler worth,
Where all may taste a more immortal bread."

Lots of luck for a prosperous & successful life!

Meet the Star Salesmen!

Kay Barret and Barbara Linaburg set out to collect their final ad copy.

Elaine Beard, Melanie Akams, Beth Arbogast, and Sue Bowman, take time out for a snack while soliciting for ads.

Looking down from the Masonic Temple on the busy streets of Alexandria, an old, yet thriving city, we are reminded of the friendly welcome the merchants in and around the town gave us when we solicited Ads. The courteous attention and helpful advice they gave should aid us when we venture into the business world.

We trust the merchants will benefit from the opportunity given them to use our Shoppers' Guide as a medium of advertising their merchandise and services to the students and friends of Groveton High.

We are also grateful to our patrons for the cooperation they so willingly gave to the making of Groveton's *Tigerama,* and hope that in future years our business relationship with them will continue to grow.

It was with a great deal of pleasure that we pitched in to get Ads. To make the event even more enjoyable, the *Tigerama* Staff and Cubs had a Spaghetti Supper to kick off this year's Ad Drive, which aroused interest and enthusiasm. Not only did the drive end successfully, but during the weeks of soliciting *Tigerama* members gained valuable business experience. Divided into two competing teams, the Tigers and Ramas, Ad solicitors worked hard to meet their goal. Star sales groups are recognized here for their outstanding achievements.

Ginnie and Brenda leave the Rama Room, hoping to be a star group.

These energetic girls, Sondra Morrissey and Diane Oakes, still found time for an active Ad Drive.

The advertising manager, Mudgie Gist, worked long and hard hours organizing the Drive and helping to get the book to press.

Freedom Lights the Land of Opportunity

We, the staff, hope that this yearbook, presenting opportunities available at Groveton, will give you many pleasant memories and help you to be ever conscious of the many doorways in our school. Our second year here had a special meaning to all who took advantage of the many opportunities for individual development. The classes, plays, sports, clubs, dances, and every-day activities pictured in the 1958 *Tigerama* show the many phases of active student life from which we have benefited.

Especially for the graduates, our first commencement climaxed the school year. For them, it marked the beginning of new horizons. Congratulations and best wishes to our seniors, who, having received keys to success, will now be passing through new doorways in our Democracy where opportunities are truly unlimited.

In appreciation for the opportunity of living here in the United States, may we ever raise our voices and grateful hearts in the words of the hymn:

"Our fathers' God, to thee,
Author of liberty,
To thee we sing:
Long may our land be bright
With freedom's holy light;
Protect us by thy might,
Great God, our King."

"Not for this land alone,
But be God's mercies shown
From shore to shore;
And may the nations see
That men should brothers be,
And form one family
The wide world o'er."
